For the comfort of our guests our rooms have been upgraded. New additions include easy access to electricity points for charging of electronic equipment, new Persian and Turkish rugs to add warmth and the fresh layer of paint enhances the already luxurious rooms. Further more, commissioned works of art by Annelize now adorns the walls of the guest house. All this and our service and hospitality impressed the Tourism **Grading Council of South Africa** so much that they awarded Absolut Guest Boutique with four stars of which we are very proud.
